

Social

The following is taken with some modifications and permission from the New Zealand Teachers Council
<http://www.teachersandsocialmedia.co.nz/guidelines/before-you-share> .

Before and as you use social media tools in your work and personal life, keep the following in mind:

Maintain appropriate boundaries

Be respectful and take into account

the views and opinions of your colleagues, learners, and parents/guardians

the privacy of those involved in your groups and the things you share

Be clear o
